3. Demise and Term.

3.1 The parties agree that sections 24 to 28 of the 1954 Act shall not apply to the tenancy created by this Lease, the Landlord having served notice on the Tenant and the Tenant having made a statutory declaration before the parties became contractually bound.

3.2 The Landlord confirms that it has the power to grant this Lease and that the Premises are not subject to any restriction which would prevent their use for the Permitted Use. The Tenant shall not be entitled to any rights of light or air or other easements over any adjoining property of the Landlord except those expressly granted by this Lease.

3.3 The Building is Clippers Quay House, Clippers Quay, Salford Quays, Salford M50 3XP.

3.4 The Landlord lets the Premises to the Tenant with full title guarantee, together with the rights set out in Schedule 1, excepting and reserving to the Landlord the rights set out in Schedule 2, and subject to the Encumbrances. The Tenant shall permit the Landlord and the Landlord's Surveyor to enter the Premises on reasonable notice to inspect their condition, to take measurements, and to carry out any works which the Landlord is entitled to carry out under this Lease.

Nothing in this Lease shall operate to grant the Tenant any rights over the airspace above the Building or the ground beneath its foundations. The Term Commencement Date shall be the date from which the Term is calculated for every purpose of this Lease, whether or not the Tenant has taken occupation by that date.

3.8 The Term shall commence on 1 April 2017 and shall expire on 31 March 2027.

3.9 The Tenant acknowledges that the Premises are let in their present condition and that the Landlord has made no representation as to their fitness for the Permitted Use.

4. Rent.

4.1 All sums payable by the Tenant under this Lease are exclusive of VAT, which the Tenant shall pay in addition where it is chargeable, against receipt of a valid VAT invoice. The Tenant shall pay

the Rent by equal quarterly payments in advance on the Quarter Days, the first payment being a proportionate sum for the period from the date on which the Rent first becomes payable to the next Quarter Day. Any sum which is payable by the Tenant to the Landlord under this Lease and which is not otherwise expressed to be rent shall nevertheless be recoverable by the Landlord as rent in arrear.

4.2 The Initial Rent is £48,750 (forty-eight thousand seven hundred and fifty pounds) per annum.

4.3 Where any Utility is supplied to the Premises through a meter serving other premises as well, the Tenant shall pay a fair proportion of the cost as determined by the Landlord's Surveyor.

4.4 The Service Charge payable by the Tenant for the first Service Charge Year shall not exceed £5,850.

4.5 The Landlord may, at its discretion and on giving not less than one month's notice to the Tenant, vary the dates on which the Rent is payable, provided that the Rent remains payable in advance. The Tenant shall pay for all Utilities consumed at the Premises, including any standing charges, meter rents and connection charges, and shall comply with the requirements of the supplying authorities.

5. Rent Review.

5.1 The costs of the independent surveyor shall be borne as the surveyor directs or, in the absence of a direction, equally between the parties. On the Review Date the Rent shall be increased in the same proportion as the Retail Prices Index published by the Office for National Statistics has increased between the month preceding the Term Commencement Date and the month preceding the Review Date.

5.2 The Review Basis is RPI.

5.3 If the reviewed Rent has not been agreed or determined by the Review Date, the Tenant shall continue to pay Rent at the rate payable immediately before the Review Date, and within fourteen days after the reviewed Rent is agreed or determined the Tenant shall pay the shortfall together with interest at the base rate from time to time of the Bank of England. If the Retail Prices Index is rebased, the calculation shall be made using the appropriate conversion factor published by the Office for National Statistics, and if it ceases to be published the parties shall agree a suitable replacement index. Any dispute about the reviewed Rent shall be referred to an independent surveyor, to be agreed between the parties or, failing agreement, to be appointed on the application of either party by the President of the Royal Institution of Chartered Surveyors.

5.4 The Review Date is 1 April 2022.

6. Repair.

6.1 The Tenant shall comply with all statutes, regulations and requirements of any competent authority relating to the Premises or their use, and shall indemnify the Landlord against all liability arising from any breach. The Tenant shall at the end of the Term yield up the Premises in the state of repair and condition required by this Lease, having removed any alterations which the Landlord

requires to be removed and made good any damage caused by their removal.

6.2 The repairing basis of this Lease is landlord repairing.

6.3 The Landlord shall keep the Premises and the Building, including the structure, the exterior, the roof and the Conduits, in good repair and condition, and shall carry out any repair within a reasonable time of becoming aware that it is needed. The Tenant shall keep the Premises clean and tidy and shall decorate the interior of the Premises in every fifth year of the Term and in the last three months of the Term, in a good and workmanlike manner and with materials of good quality.

6.4 Any damage to the Premises caused by an Insured Risk shall be excluded from the Tenant's repairing obligations unless the insurance has been vitiated by the act or default of the Tenant.

7. Use.

7.1 The Tenant shall not load or unload goods except at the loading areas designated by the Landlord and shall not park vehicles other than in the spaces, if any, allocated to the Premises. The Tenant shall not display any sign, advertisement or notice on the exterior of the Premises or in the windows so as to be visible from outside without the prior written consent of the Landlord, which shall not be unreasonably withheld in the case of a sign displaying the Tenant's name and business.

7.2 Nothing in this Lease constitutes a warranty by the Landlord that the Premises may lawfully be used for the Permitted Use, and the Tenant has satisfied itself on that point before entering into this Lease. The Tenant shall not apply for planning permission for any change of use of the Premises without the prior written consent of the Landlord.

7.3 The Permitted Use is offices within Class E(g)(i) of the Use Classes Order.

7.4 The Tenant shall not use the Premises for any purpose other than the Permitted Use. The Tenant shall not play or permit to be played any music or sound amplification which is audible outside the Premises.

8. Alienation.

8.1 Any consent given by the Landlord under this clause shall be given by deed and may be given subject to reasonable conditions. The Tenant shall not charge any part of the Premises, but may charge the whole of the Premises with the prior written consent of the Landlord, which shall not be unreasonably withheld.

8.2 The Tenant shall not assign, underlet, charge, part with possession or share occupation of the whole or any part of the Premises except as expressly permitted by this clause. The Tenant shall not underlet any part of the Premises, nor grant any right of occupation of part of the Premises to any person. The Tenant may share occupation of the Premises with a Group Company, provided that no relationship of landlord and tenant is created and that the Tenant notifies the Landlord of the arrangement in writing before it begins.

8.3 Within one month after any assignment, underletting, charge or devolution of the Premises, the Tenant shall give the Landlord notice of it together with a certified copy of the relevant document and shall pay the Landlord's reasonable registration fee.

8.4 The Tenant may assign the whole of the Premises with the prior written consent of the Landlord, which shall not be unreasonably withheld or delayed. The Landlord shall be entitled to require, as a condition of giving consent to an assignment, that the assignee provides a guarantor or a rent deposit acceptable to the Landlord where the assignee's financial standing reasonably requires it.

9. Insurance.

9.1 If the Premises or the Building are damaged or destroyed by an Insured Risk so as to be unfit for occupation and use, the Rent, or a fair proportion of it according to the extent of the damage, shall be suspended until the Premises are again fit for occupation and use or until the expiry of the period for which loss of Rent is insured, whichever is the earlier.

9.2 The Tenant shall insure its own fixtures, fittings, stock and contents and shall maintain public liability insurance in respect of the Premises with a limit of indemnity of not less than five million pounds for any one occurrence.

9.3 If the insurance money is irrecoverable in whole or in part because of any act or default of the Tenant, the Tenant shall pay the Landlord the irrecoverable amount on demand. The Tenant shall not do anything at the Premises which would make the insurance of the Building void or voidable or which would increase the premium, and shall pay any increased premium caused by the Tenant's use of the Premises. The Landlord shall insure the Building, other than tenant's fixtures and fittings, against the Insured Risks in the full cost of reinstatement, with a reputable insurer and subject to such excesses, exclusions and conditions as the insurer may require.

9.4 The Insurance Rent for the first year of the Term is estimated at £1,460 and is payable within fourteen days of demand.

9.5 The Landlord shall, on request and not more than once in any year, produce to the Tenant evidence of the terms of the insurance policy and of payment of the current premium. The Landlord shall use the insurance money received, other than in respect of loss of Rent, to reinstate the Premises as soon as reasonably practicable, subject to obtaining all necessary consents and to the Landlord not being prevented by any cause beyond its control.

10. Deposit.

10.1 If the Landlord assigns its interest in the Premises, it shall transfer the Deposit to the assignee and shall procure that the assignee holds it on the terms of this clause, whereupon the Landlord shall be released from its obligations in respect of the Deposit. The Landlord's rights under this clause are in addition to and not in substitution for any other right or remedy available to the Landlord.

10.2 Within fourteen days after receiving a notice of withdrawal, the Tenant shall pay to the Landlord a sum sufficient to restore the Deposit to its original amount.

10.3 The Deposit is £24,350 (twenty-four thousand three hundred and fifty pounds), which the Tenant shall pay to the Landlord on the date of this Lease.

10.4 If the Tenant fails to pay any Rent or other sum within fourteen days after it falls due, or is otherwise in breach of this Lease, the Landlord may withdraw from the Deposit such amount as is required to make good the default and shall give the Tenant written notice of the withdrawal.

11. Guarantee.

11.1 The guarantee shall continue until the Tenant is released from its obligations under this Lease by statute, and shall then extend to any authorised guarantee agreement entered into by the Tenant. The Guarantor guarantees to the Landlord that the Tenant shall pay the Rent and all other sums payable under this Lease and shall perform and observe the Tenant's covenants, and the Guarantor shall indemnify the Landlord against all losses arising from any default by the Tenant.

11.2 The Guarantor's liability shall not be released, reduced or affected by any time or indulgence granted by the Landlord to the Tenant, by any variation of this Lease, or by any change in the constitution of the Tenant or the Guarantor.

12. VAT.

12.1 The Landlord shall provide the Tenant with a valid VAT invoice for every payment of Rent and other sums on which VAT is chargeable. Nothing in this Lease shall prevent the Landlord from making, revoking or varying an election to waive the exemption from VAT in respect of the Building, and the Landlord shall notify the Tenant in writing within one month of doing so.

12.2 The Landlord has not elected to waive the exemption from VAT in respect of the Building.

12.3 Where the Landlord has waived the exemption from VAT, the Tenant shall not do anything which would cause the waiver to be disapplied, and shall indemnify the Landlord against any loss arising from a breach of this obligation. The Tenant shall pay VAT on the Rent and on every other sum payable under this Lease where VAT is chargeable, at the same time as the sum on which it is chargeable, against a valid VAT invoice.

13. Notices.

13.1 Notice may not be validly served by email or by any other electronic means unless the parties have agreed in writing to accept service in that manner.

13.2 A person who is not a party to this Lease has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

13.3 The Landlord shall be entitled to re-enter the Premises and end this Lease if the Rent or any other sum is unpaid for twenty-one days after falling due, whether formally demanded or not, or if the Tenant is in breach of any of its obligations, or if the Tenant becomes insolvent. The Tenant shall pay the Landlord's reasonable costs, including legal and surveyor's fees, incurred in connection with any application for consent under this Lease, whether or not consent is granted, and in the preparation and service of any notice under section 146 of the Law of Property Act 1925.

13.4 The Landlord's managing agent is Hallam & Pryce of 8 Booth Street, Manchester M2 4AW, to whom rent demands and notices on behalf of the Landlord may be addressed.
